

To: International Students

Medical Examination for International Students

The University will be providing a compulsory medical examination for all eligible international students. Please read the following and undergo the medical examination if you meet the requirements.

1 Who:

- ◆ All international students who are newly enrolled in October this year and are currently living in Okinawa. (Includes research students and auditors)
- ◆ International students who did not undergo a physical exam in April.

2 Where: Health Administration Center (next to the Gymnasium)

3 Date and Time: Wednesday, November 24, 2021, 9:00~10:30 (Registration 8:45~10:00)

4 The health check includes the following:

- ① X-ray examination
- ② Blood Pressure Test
- ③ Height • Weight
- ④ Internal medicine interview
- ⑤ Electrocardiogram Test (if necessary)

- ✧ The health examination will be held **on November 24** only. Please go to the Health Administration Center at the timing that has been allocated to you.
- ✧ Please be sure to bring your student ID card.
- ✧ Please contact the Health Administration Center in advance if you are unable to undergo the medical examination or have any questions.
