

国立台湾海洋大学

National Taiwan Ocean University

大学概要

1953年に創立され、台湾の基隆市に立地している。主に、海事及び水産関連の人材を育成し、7学部と34学科を擁している。海洋科学を中心に教育を提供している大学だが、工学部と人文社会学部も備えた総合国立大学でもある。周囲に山々と海が広がっているため、自然が非常に豊かな学校である。

Inbound Exchange

Outline

This program is for the students who are enrolled as full-time students at one of our international partner universities. Students can choose to study for one or two semester and will be enrolled at a department or institute relevant to their study field at their home university. Exchange students must be enrolled at their home university throughout the period of exchange. This is **NOT** a degree program.

Inbound Exchange

Qualifications

1. Applicants must be enrolled as full-time students at one of our partner universities.

2. Applicants must be nominated by their home university.

3. Applicants must be enrolled at their home university during the exchange study.

*We don't set any language requirements. If you have interests in our programs, please contact us asap. We'll make the suitable arrangements for you.

Fields of Study

College of Maritime Science and Management

- Merchant Marine
- Shipping and Transportation Management
- Transportation Science
- Marine Engineering
- Ocean Business Management

College of Life Sciences

- Food Science
- Aquaculture
- Bioscience and Biotechnology
- Marine Biology
- Food Safety and Risk Management
- Marine Biotechnology

College of Ocean Law and Policy

- the Law of the Sea
- Ocean Law and Policy
- Ocean Policy

Fields of Study

College of Ocean Science and Resource

- Environmental Biology and Fisheries Science
- Marine Environmental Informatics
- Earth Sciences
- Marine Affairs and Resource Management
- Marine Environment and Ecology
- Ocean Resource and Environmental Changes

College of Engineering

- Mechanical and Mechatronic Engineering
- Systems Engineering and Naval Architecture
- Harbor and River Engineering
- Ocean Engineering and Technology

Fields of Study

College of Electrical Engineering and Computer Science

- Electrical Engineering
- Computer Science and Engineering
- Communications Navigation and Control Engineering
- Optoelectronics and Materials Technology

College of Humanities and Social Sciences

- Applied Economics
- Education
- Oceanic Culture
- Applied English
- Oceanic Cultural Creative Design Industries
- Ocean Tourism Management

Calendar

Nomination Deadline	June 30
Application Deadline	June 30
Arrival Dates	Early September
Orientation	Early September
Semester Begins	Mid September
Exams	End of December
Semester Ends	Mid January
Winter Break	Mid January

Fall

Nomination Deadline	November 30
Application Deadline	November 30
Arrival Dates	Mid February
Orientation	Mid February
Semester Begins	Early February
Exams	End of May
Semester Ends	Mid June
Summer Break	Mid June

Spring

Application

Being nominated by the Authorized Office at the home university by email.

Nomination

- 1.Application
- 2.Letter of Intent for Short-Term Study
- 3.Health Certificate
- 4.Application for Dormitory
- 5.Recommendation
- 6.Copy of Passport
- 7.Academic Transcript
